ortega chillies and pimentos slowly cooked in a tomato sauce with flavorful chipotle peppers and
New Mexico chillies. A perfect chili for vegetarians.

Chili Verde* (3) Fragrant green tomatillos take the place of sweeter red tomatoes in this garlic
infused chili. Doused with Northern white beans and chicken, this cutting-edge chili is brilliant.

Colorado Beef (3) If beef is what you are craving but your tongue doesn't want the burn, this
mild, but intense chili is for you. Lean beef brisket and ground beef with NO beans, you can "chili"
with this fantastic chili!

Devilo (10+) Six of the world's hottest peppers set this beef chili on fire, as well as the inner walls
of your mouth. This is for one true chili-lover who can never have it hot enough. We must insist
you sample this flavor first. We're warning you, this is definitely HOT!!

East Indian Chicken (7) Curry lovers, this chili is for you. Lean ground chicken soaked in a
tomato curry sauce just takes you to a little piece of heaven with every bite! Yummo!

El Paso (6) This is the classic Texas-style, down-home beef chili you crave on a cold, rainy day.
Lean bacon is simmered into this amazing blend of three rich, red chillies, accented with black
pepper, yummy roasted cumin and rich beef stock. Even if it's not rainy and cold you MUST try
this chili.

Garlic Lover's (7) Vampire's beware! Extra lean ground beef is simmered in a garlicky chili broth.
This is followed by even more garlic, and finally slowly cooked over many hours in a rich spicy-hot
chili broth with yes.....even MORE garlic!

Hickory Turkey (4) Sweet-smoked ground turkey and no BEANS, this chili just takes you "home
on the range". If you like a Southern-smoked BBQ flavor that's lean and light, this is a perfect
chili for you

Serrano & Kashmiri chillies and Indian spices. Stomach warming and sinus clearing, it prompts
you to just want more and more.

Jinky's Veggie Delight* (4) An all-vegetarian chili made with eight garden vegetables in a
medium-spicy blend of three tomato varieties and roasted spices. Soothing, but irresistible.

Mexicali* (5) If you just Have to Have beans in your chili, or it just isn't true chili, then this one is
for you! Lean ground beef in a rich beef stock with baby pinto and tender black beans complete
this heavenly chili. This is our own yummy rendition of the classic beef and bean chili.

Oaxaca (7) This is an intense, spicy beef chili that has been infused with smoked Chipotle
peppers. It's been accented with beef chorizo and tender maize.

Roasted Garlic Chicken (6) This garlic infused chicken chili brings you to a new high. Warm
green chillies and roasted spices tell your tummy, "yummy".

Pasilla Turkey (4) Turkey chili never had it so good. Artistic blending of mild poblano and pasilla
peppers enriches the character of this healthy, wholesome chili reminiscent of Mexican mole.
(Sounds strange, but you should ask for our chocolate chips to enhance the taste!).

Southwestern Pork (6) Ultra-lean cubed pork is the star in this eclectic Southwestern chili
featuring aged Pasilla, California, and New Mexico Red chillies.

Spicy Mango Chicken (8) The world's hottest pepper, the Habanera Chili, takes center stage
with its hot, fruity notes accenting the sweet juiciness of ripe mango in a Caribbean inspired
masterpiece.

Veggie Fiesta* (2) Five varieties of beans with black olives, green chillies, roasted herbs and
spices give this ultra-low fat mild chili a very intense flavor with low heat. This is a true bean chili
lover's paradise.

Wild, Wild West* (8) Onion-free Western style chili with lean ground beef, bacon bits and baby
pinto beans with a "crocodile" bite. Bring out the knife and fork for this thick chili that stands up
to the palate of the most unforgiving chili connoisseur.
